Wedding Flower Consultation Checklist

There are so many creative ways to incorporate the beauty of flowers into your wedding day and the events surrounding the big day. From the events leading up to the wedding – bridal showers, rehearsal dinners, and greeting those out of town guests, to those special touches during your ceremony and reception, let us show you how incorporating flowers will bring out your signature style and personality!

This Wedding Flower Checklist will help us provide you with the most complete wedding flower consultation. Please complete the questions shown below in as much detail as possible. In addition, it is always helpful for the bride to provide color swatches from dresses, linens, pictures of your bridal and bridesmaids' dresses, as well as pictures of any floral designs and arrangements that you are particularly fond of and have caught your eye!
